

HOW TO MAKE THE MOST OF YOUR VIRTUAL OPEN DAY WITH UTWSD

CARMARTHEN 20.06.20

LAMPETER 20.06.20

SWANSEA 27.06.20

Do some research before hand...

- Have a look at our website to gather some information on the relevant courses we have to offer.
- Locate and research the campus related to your chosen course or subject area and find some information about the local area.
- Using the website, try to note down the names and contact details of specific people you would like to talk to such as the programme director of the course you wish to study.

Organise yourself before the virtual Open Day

- Make a list of questions you want to ask throughout your Open Day.
- Make sure you have a note pad and pen at the ready!
- Check that your internet connection is stable enough to ensure you make the most of the time available.
- Make sure that you set yourself up in a comfortable area

Give yourself plenty of time...

Throughout the virtual Open Day, you will find that there are different sections available to visit so make sure you set enough time to be able to visit each area.

- Course specific information and the opportunity to speak to lecturers and academics.
- Finance and fees
- Student Accommodation
- Student Services
- Taster sessions
- Speaking to current students
- University application process.

Ask lots of questions!

We appreciate that there is a lot to take in during an Open Day, especially a virtual one, so make sure that you ask all of the questions on your list and any that come up throughout the day.

Our staff and students are there to help you and make sure you get the most out of your virtual Open Day.

Remember, every question is valid, so make sure you ask!

Speak to current UWTSD students!

Who best to speak to about University life than students who are going through that very experience!

Our team of Student Ambassadors are on hand to answer any questions you have about life at UWTSD and tell you about their own experiences.

Want to gather some first-hand information about specific courses or student life at your chosen campus? Our students are ready to tell you all about it!

Take part in a virtual Taster Session!

If you are considering studying at UWTSD but perhaps are undecided on your subject area, why not come along to one of our taster days?

There is a range of taster days on offer, which provides excellent opportunities to experience workshops, tutorials and/or lectures within a university setting.

Visit our website for more information and a full list of taster sessions available.
