To whom it might concern,

Regarding the Project "Operational Tools for Climate Change Adaptation in Europe" – Operation CLIC EUROPE, I am writing to let you know that my organization is fully supportive of the ambitions and activities of the project and wishes to recognize the high value of the proposal.

I express my support to the proposal, knowing that it can be of great importance for Climate Adaptation Tools, Policies and Planning in Europe.

Sincerely,

Clemens Hasse

Dessau-Roßlau,
