

Taith Pathway 1 Staff Research Mobility Funding

Please ensure that all sections of the application are completed with the relevant Institute approvals.

This is a competitive scheme, and partial or incomplete applications will be returned. Taith is awarded to an individual, not a project, so please make sure **each researcher completes their own application.**

Name of Applicant			
Institute / Division			
Travel Dates Start		Travel Dates End	
Mobility Start Date		Mobility End Date	
Intended Destination (country & city)		Intended Institution/s	
Teaching or Research Contract E.G 0.2 Research or FTR		Staff Supporting Research Y/N Please specify-	
Planned Activities and Outputs			
<p><i>Please detail here the activities which are planned for completion during the Taith Award. Please be specific about the type of output or activity (collaboration, networking, journal publication; grant application etc.) timelines and the deadline for expected submissions. Please note that the main purpose of the award is to support networking, collaborations, publications, and grant applications and these are expected outputs.</i></p>			
Outputs			
<p><i>Please provide a numbered list of outputs described above</i></p>			
UWTSD Research and Innovation Priorities			
<p><i>Please detail how the planned outputs contribute to the UWTSD Research and Innovation Priorities. You should make explicit reference to the strategy (strategic areas, strategic action plan, priorities, success measures).</i></p>			
Well-being and Future Generation Act to promote Welsh Language and Culture			
<p><i>Please detail how the planned mobility will contribute to the Well-being of Future Generations; promoting Welsh Language and Culture. Delete where not appropriate.</i></p>			
<p><i>A prosperous Wales...</i></p>			

A resilient Wales...
A healthier Wales...
A more equal Wales...
A Wales of cohesive communities
A Wales of vibrant culture and thriving Welsh language
A globally responsible Wales...

Research track record

Please detail your recent research and innovation track record, e.g. publications or other research outputs, knowledge exchange activity, research impact, grant applications, grants secured, conference papers / attendance and other networking activity, and participation in researcher development activities.

How will teaching and assessment duties be covered?

Please specify (e.g. lectures, tutorials; marking; attending to students' queries, etc.). This section must be completed in detail for those mobilities applying for secondments and/or visits <14 days.

Are administrative and PGR duties covered? YES/NO *[delete as appropriate]*
