

TEMPLATE 1 - MUNICIPALITIES; AGENCIES(regional, national) and SME s to create a network for tool testing

To whom it might concern,

Regarding the Project "Operational Tolls for Climate Change Adaptation in Europe" – Operation CLIC EUROPE, we wish to express our support and willingness to actively contribute on the discussion of the results.

Therefore, we will consider testing the out coming tools, whenever appropriated for our organization, and engage on assessing and refining them if possible.

Warmest Regards
